

Dear Parent,

Warm Greetings from **Master Brains**. It is an immense pleasure to present 2nd State Level Olympiads- **State Level Mathematics & Science Olympiad (SMSO), State Level Reasoning and English Olympiad (SREO)** based on A.P. & T.S. board curriculum for students of classes 2 - 10.

MASTER BRAINS

**State Level Mathematics & Science Olympiad
Date: 13-12-2018 (Thursday)**

**State Level Reasoning & English Olympiad
Date: 31-01-2019 (Thursday)**

SMSO & SREO helps students broaden the horizon of their knowledge. The performance analysis from our expertise enables students to analyze their progress that in turn results in increased levels of confidence. This inculcates a sense of readiness that is vital for a student aiming at cracking a competitive exam.

By participating in these Olympiads, your child would be better prepared to take on challenging competitions in the future.

Each participating student is given a Participation Certificate and a detailed Analysis Report.

Your child's school is participating in the **State Level Olympiads in 2018-19** academic year.
